

Thousands Gather At Donner To See Outboard Regatta

Ideal Conditions Prevail
For 10th Annual Race
At Donner

Thousands of people jammed the west end of Donner Lake Sunday when the tenth annual Donner Lake Regatta, sponsored by the Donner Lake Fire Department and Auxiliary was held in perfect weather and ideal water conditions.

There were a few flips but no serious accidents and the affair was termed the most successful ever held there.

The perpetual F runabout trophy was presented to Don Biagio of San Francisco and the good sportsmanship award was made to Ron Adornes of San Bruno.

First place winners in the 11 events were: B Hydro: Dick Taylor, Hillsborough, a summer resident at Donner; C Service Hydro: John Naves, Sacramento.

C Runabout: Fred Hauenstein, Kingsburg; F Hydro: William Miller, Stockton; D Hydro: Charles Lohr, Reno; A Hydro: Bob Pearce, Hayward; E Runabout: Alex McDermont, Atherton; D U Runabout: M. B. McElvaney, Broderick.

C Service Runabout: Fred Hauenstein, Kingsburg; C Hydro: Yorio Aoki, Woodland; F Runabout: Don Biagio, San Francisco.

The barbecue and dance held Saturday night at the Donner Lake Lodge proved successful and committee members praised the efforts of all who made the affair such an outstanding event.

Pond Being Built On Playgrounds

One hundred and twenty-three truck loads of fill dirt were hauled onto the new baseball diamond at the Truckee Recreation Center Sunday, Mrs. Karl Kielhofer, committee secretary, announced. This brings to a total 1800 yards of dirt hauled for the field.

Clements again provided the equipment at reduced rates. Operators were Bert Hutchins and Doc Hensen. Privately owned dump trucks were rented from Bill McGuire, Herb Pluckett and A. John. Jack Ellis, the local volunteer operator, put in eight solid hours without pay. Other volunteers were August Sassarini, John Collier, Harry Stout, Karl Kielhofer, Betty Kielhofer and Mike Ellis, who spent much time on the ball diamond.

C. H. Burekett of Tahoe City is draining the lake area with a drag line and has rented his D-8 cat at reduced rates. The Granite Construction Company will be in the area for the next week or two with a large carryall and a D-8 cat. The lake must drain for a few days before the equipment can dig out the approximate two acres for the water supply and where fish will be planted.

Superintendent John Engen said that within two weeks the entire golf course will be cleared and leveled and ready for the pipe lines.

Food Sunday was furnished by Nadine Neugebauer, Dorothy Leamon and Eve Besio.

GLENN MILLER WILL REPLACE PEARSON

Glenn Miller, Roadmaster for the Southern Pacific Company for several years has left with Mrs. Miller and their children to take over the same position at San Luis Obispo.

Vernon Pearson whose death occurred this month in the southern city also had held the same position here before going to San Luis Obispo.

H. R. Wiley of the Portland division has arrived to fill the office of roadmaster at Truckee.

ANDY ROGERS, WIFE KILLED IN ACCIDENT

Andrew (Andy) Willow Rogers, 79, and his wife, Geneva, were killed Saturday when their car collided with another south of Laytonville, Mendocino County, on Highway 101. Rogers was widely known in politics and as an author and historian. He had lived at Rough and Ready for many years.

MILLERS ARE FETED AT PHILIPPI HOME

On Friday evening, July 3rd, a picnic supper was given for Lillian and Glen Miller and family at the home of Elmay and Wayne Philippi. Forty-five members of the Order of the Eastern Star and their families enjoyed the supper and visiting with the Millers, who are moving to San Luis Obispo.

During the evening gifts were presented to Mrs. Miller by Mrs. Pearl Heller on behalf of the Eastern Star.

Moves To Rodeo—Mrs. N. Highfill who moved from Truckee to Concord is now living at Rodeo.

Travel Over Forty Sets New Record; Gains Continuing

Travel into California by way of Truckee quarantine station is really on the upgrade, according to the monthly report issued by the state department of agriculture.

During June, the local station was exceeded only by Yermo as a point of entry. Here, 91,055 cars, 4,353 trucks and 806 buses, with a total passenger count of 244,166 people, were checked into the state by the crews at the local station.

This compares to 67,167 cars during May and 71,541 cars during June, 1958.

Yermo was only 2000 cars ahead of Truckee and none of the other 18 stations on the California border had half as many vehicles checked.

At Meyers on Highway 50, 24,708 cars, 386 trucks and 61 buses were checked during June.

If the trend continues, Truckee will easily pass the 100,000-car mark during this month despite the large amount of road work being done in this area.

Local Escapee Is Held In Wheatland

Marvin Earl Otto, 37, an escaped mental patient who is accused of kidnapping a 15 year old Sheridan girl by gunpoint Sunday, previously escaped while a prisoner in the Truckee jail.

Otto, according to Chief Deputy Sheriff Roy Waters, was taken from the jail for dinner and while en route escaped and disappeared.

Otto, who had been missing from the Stockton State Hospital since July 9, was being held in the local jail awaiting arrival of hospital officials.

It is presumed that after he left here the suspect forced the Wheatland girl to accompany him but was stopped by police after a chase. A bullet from a deputy's gun blew out a tire on Otto's car. During the frantic ride, the girl, Christine Ethyl Smith of rural Sheridan jumped from the vehicle and ran to a farmhouse for help. She was later treated for injuries on her head and body.

CAMP PAHATSI ON SUMMIT IS OPENED

The Tahoe Area Council opened Camp Pahatsi on Donner Summit for the 29th year on July 4th with 39 boys, five scoutmasters, two volunteer adult leaders and 16 junior staff members, under the guidance of Camp Director Bill Hill, Waterfront Director Peter Hill, and Jim Needles, Camp Ranger. Mesdames Myrtle and Melba Dunlap are back again doing the cooking, after missing last summer.

Troop 9 of Penryn was awarded a silver cup for being the best all-around Troop during the first week of camping. Troop 29 of Rocklin was awarded God and Country Award for having the "cleanest table" award.

FORMER LOCAL MAN HELD IN SHOOTING

J. K. O'Brien of Truckee was being held in the Quincy jail, booked for investigation of attempted murder.

Clarence Summerfield of Fresno told officers he was walking with O'Brien on a Quincy street when the latter suddenly produced a revolver and started shooting at him.

Summerfield said he turned sideways as one bullet went through the bib of his overalls and one went through his hand. He was released after treatment at the Quincy hospital.

ALAN POLLOCK DIES WHILE IN EUROPE

Funeral rites were held Saturday morning in East Lawn cemetery chapel in Sacramento for Alan Harper Pollock, 34, president and general manager of Big Island Broadcasting, Inc., a firm which operates radio stations in the Hawaiian Islands.

Pollock died Friday in Madrid, Spain.

The deceased formerly resided here where he was manager of Donner Village for a short time.

At Silver Creek—The E. H. Foster family of San Rafael have again joined the summer colony on Silver Creek.

Two Burglaries In Truckee Probed By Local Officers

Two Bars Are Robbed As
Coin Machines Are
Looted Here

Warrants have been issued for two suspects wanted for questioning in connection with the burglary of two Truckee establishments last Thursday night.

Victims of the burglaries were the Donner Hotel, operated by George Gordon and Travelers Club, operated by Mrs. Bea Redmond.

The Donner was apparently entered from a side door and a missing key was believed used by the suspect. Juke boxes and other coin operated machines were broken open and approximately \$90 in cash taken, Deputy Sheriff Roy Waters was told. Also missing were pieces of costume jewelry, two cartons of cigarettes and other minor items.

At the Travelers Club, entrance was gained by prying panels from a rear door. Here, too, the coin operated machines were broken open and an undetermined amount of cash taken.

Officers believe the same burglars entered both places as the instrument used to force the door and break open the cash boxes was apparently one and the same. It was probably a large screw driver, Waters said, but was not left at the scenes of the crimes.

DAY CAMP WILL BE HELD FOR SCOUTS

Mrs. W. D. Randall announced that a Day Camp will be held at the Truckee Ranger Station from 9 a. m. until 4 p. m. on August 4, 5, 11, 12 and 13 and all Girl Scouts and Brownies are invited to take part in the program.

Transportation will be furnished from the Truckee Elementary School and each girl is to take a lunch, milk to be supplied under the Department of Agriculture's special milk program, a small sum being charged each child.

Studies will include natural outdoor environment and craft material will be used to keep cost to each participant at a minimum.

Mesdames Randall, Robert Moore, B. A. Campbell, Dan Horan, Kenneth Hedlund are committee members and any interested person who wishes to assist in the camp may contact one of the above women.

LAST RITES HELD AT TAHOE FOR BRIGHAM

Last rites were held last Wednesday at the Tahoe City Catholic Church for Obie F. Brigham, 71, who expired at his Lake Forest home. Interment was in the Tahoe City cemetery. Pallbearers were Tony Donadio, Roger Davin, Martin Spitsen, Basil Kehoe and Thomas O'Laughlin. The Truckee Colonial Mortuary was in charge of arrangements.

MRS. REID IS FETED AT BRIDAL SHOWER

Mrs. Gary Reid was feted at a lovely post bridal shower, given recently by Mrs. Thomas Jordan when the honored guest was presented with useful and attractive gifts for the couple's newly established home.

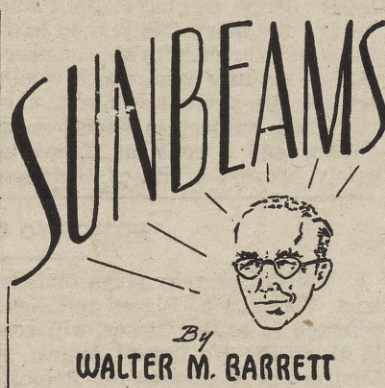

Appropriate games occupied the friends and refreshments were served. Those invited included Evelyn Stinchfield, Colette Goicoa, Mary Giovannoni, Jo Stead, Jo Hocker, Ruth Waller, Mary Anne Tonini, Ola Tonini, Cynthia Reynolds, Mrs. B. W. Reynolds, Mrs. Robert Tonini, Evelyn McQuary, Mrs. Angelo Besio, Joyce Briley, Mrs. A. Ghirard, Joan Rose, Joyce Slate, Mrs. McLaughlin, Mrs. Herbert Copeland, Anna Higgins.

GERALD QUAM WEDS GREENVILLE GIRL

Gerald Quam claimed as his bride, Miss Sylvia Rilea of Greenville at a ceremony performed last week at Reno, Nevada.

The benedict is well known here and at Lake Tahoe where he has lived and attended schools. Prior to and after entering military service he has been associated with Z Market here and in Greenville where he met Mrs. Quam.

The young couple has established their home at Donner Lake and have been receiving felicitations of friends since the wedding.

Win Over Lovelock Keeps Truckee In Front In League

Mountaineers Will Be Idle
This Week After Win
Over Lovelock

By JOHN FIRPO

A fourteen hit attack and five-hit pitching by Ace Craig Robinson enabled the Truckee Mountaineers to smash the Lovelock Merchants 11-5 and thus keep themselves in the top spot of the Sierra Nevada League with a 7-2 status. Verdi also won and is still one-half game behind with a 6-2 record. Ernie Pello and Floyd Cooper led the locals with 6 RBIs together, Pello getting a three-run home run in the first inning to get the Californians started. Craig Robinson was brilliant on the mound, whiffing 13 Merchants while he walked 6.

The Mountain men jumped off to a four to nothing lead. After doubles by L. J. Robinson and Floyd Cooper produced one run, Pello walloped a four-bagger with Cluck and Cooper on base. The contest went scoreless on both sides in the second through fourth frames until the fifth when Merchant errors paved the way for another four run outburst from the league leaders.

Lovelock came back in the bottom of the fifth.

FOUR NEWCOMERS ARRIVE AT HOSPITAL

Four babies have been occupying the nursery at Tahoe Forest Hospital, following their arrivals last weekend.

Mr. and Mrs. James E. Zeek of Sierraville became the parents of Michael Edward on July 9. His weight at birth was 7 pounds, 8 1/2 ounces.

Following closely on the same date was Gerald Bacci, son of Mr. and Mrs. Gerald Joseph Perata of Tahoe City. The baby tipped the scales at 5 pounds, 13 1/2 ounces. His mother is the former Duane Pomini.

Mr. and Mrs. Gust Anderson of Kings Beach welcomed their daughter, Gail Annette on July 11. Her arrival weight was a round 6 pounds, 7 1/2 ounces.

Also born on July 11 was Brian Stanley to Mr. and Mrs. Stanley Webb of Truckee. The boy weighed in at 6 pounds, 12 1/2 ounces. His mother is the former Yvonne Brines of Truckee.

TAHOE LITTLE LEAGUE FEATURES 6 TEAMS

TAHOE CITY—Buck and Orville Ingram have been donating their work and time to get the Lake Tahoe Little League baseball field in good condition at the school ground, materials donated by local business men.

The League consisting of five teams from south shore and the Red Sox of Tahoe City has been active during vacation and four minor teams, managed by Tony Donadio started practice last Friday.

The Red Sox roster includes Bob Wolfe, Dick Nielsen, Eddie Hoff, Eddie Gill, Roger Michner, Larry Ingram, Bob Holly, Jimmy Kimball, Danny Sprague, Gregg Moore, John Hardy, Tommy Ruhkala, Mike Tanner, Jerry Jorgensen, Wayne Johnson and Carl Ruhkala, the latter being the bat boy.

NEW CRUISER

The Tahoe Boat Company this week received a new Chris-Craft cabin cruiser for delivery to Phil Edwards of Kings Beach. The beautiful new 25-foot cruiser will be used by Edwards and Dick Anderson in their boat charter business at Lake Tahoe. The two men have scheduled a number of types of cruises from short distances to trips around the lake. Fishing expeditions are also on their schedule.

HEART ATTACK

Garald Shields of Redwood City suffered a heart attack while swimming in Donner Lake last week, but was brought to shore and revived by a doctor who happened to be nearby. Shields was brought to the Tahoe Forest Hospital for further treatment by the Truckee Ambulance.

Rabbits From Roseville

Mr. and Mrs. O. J. Rablin have arrived from Roseville to occupy their house here until late summer.

Shrine Club Again Will Be Host To Children At Circus

El-Ta-Ho Shrine Club will again take the children of the Tahoe-Truckee School District to the circus in Reno on August 5th free of charge.

Those in Truckee may obtain blanks at Heller's Variety and will board the bus back of the Masonic Hall. Release blanks for Tahoe City may be obtained at Jay's Drug and the children will board the bus there. In Kings Beach blanks are available at the Kings Beach Variety Store and the bus will be loaded behind the post office.

Lunches will be served free to all. The club is asking that two, or three mothers volunteer to serve as chaperones as soon as possible. Volunteers may register at one of the three stores listed above.

Children are asked to obtain their releases as soon as possible so that plans can be made for those wishing to attend the circus.

Buses will leave Kings Beach at 9 a. m., Tahoe City at 9:30 a. m. and Truckee at 10 a. m. Any further information may be obtained from Dan "Andy" Anderson, president of the club at Liberty 6-2258.

Those wishing to serve as chaperones may call collect at the same number.

Elks Lodge 2140 Granted Charter

Elks organizing chairman Dick Brennan, for Elks in the North Tahoe and Truckee area received word from Elksdoms convention in Chicago that the proposed lodge had been awarded its membership. "Congratulations, dispensation granted, your Lodge number, B.P.O.E. 2140," wired Frank Luttig, district deputy grand exalted ruler, from Chicago.

Elks of the new Lodge had formed a friendly pool to guess the new number. Harry McIntire, Jr. was the lucky winner of the pool with the number 2139.

Keeping the tradition of Elksdom family ties, Lake Tahoe Sierra Lodge No. 2140 will celebrate its dispensation with a picnic on Sunday, August 2nd.

All Elks candidates, and their friends should hold this day open for a grand day of frolic," announced Brennan. "There will be prizes for the small fry, games as well for adults, building fund benefit, plenty of barbecued chicken to eat and refreshments."

The location for the outing has not been decided, however, Tahoe City Commons and Donner Lake are being considered. The picnic committee, Tony Donadio, Gordon Brown and Dwight Roberts will choose the site.

Brennan also announced that the general membership will be notified by mail of the next meeting. Committees and officers will function as usual.

HUGE ASSESSMENT GAINS IN COUNTY

NEVADA CITY—The assessed valuation of property in Nevada County increased \$1,181,000 during the last year.

The figure was disclosed in a report prepared by Charles R. Kitts, county assessor, for the county supervisors.

The breakdown shows a gain of \$960,700 on the secured roll and \$220,300 on the unsecured roll. The total valuation gain brings the assessed value in the county to \$25,374,850.

FIRM ORDERED TO OPEN BEACH ACCESS

AUBURN—District Attorney Al Broyer was instructed by the county supervisors to serve notice on the Speeter Lumber and Supply Company to remove obstructions blocking public access to beach areas at Carnelian Bay, Lake Tahoe.

Board Chairman L. L. Anderson said East Bay and Bay Streets are being obstructed by piles of lumber and other obstructions near the lake frontage.

Here For Summer—Mrs. Ted Kohler has returned to spend the summer here.

Girl Killed In Car Crash, Driver Is Critically Injured

Driver Escapes As Truck
Plunges 35 Feet Into
Truckee River

Miss Jayne Berry, 19, a freshman at Arizona State College at Tempe, was killed Saturday at 1:20 a. m. when the car in which she was a passenger was demolished two miles south of Tahoe City on Route 89.

The driver, Nick Fabian, 20, son of Dr. and Mrs. Paul Fabian, prominent Chico residents and extensive land owners in this area, was in critical condition at a Reno hospital as a result of the crash.

State patrolman Earl Meixner, who investigated, said that the car apparently left the road at a high rate of speed, knocked down two smaller trees and crashed into the third.

Miss Berry was the daughter of Mr. and Mrs. Lowell W. Berry of Piedmont. Her father is president of the Best Fruitizer Company and former chairman of the athletic control at College of Pacific at Stockton.

NARROW ESCAPE

Charles T. Johnson, Jr., 31, Fernley, Nevada, narrowly escaped death Sunday morning at 12:35 o'clock when the truck he was driving for the Continental Baking Company of Sparks, plunged 35 feet into the Truckee River in Truckee.

Johnson, who told investigating officers that he must have fallen asleep, drove the bread truck off the south end of the bridge on Bridge street and the vehicle was demolished on the rocks. Johnson was thrown out and escaped with five broken ribs and lesser injuries.

Committee Will Study Water Use

RENO — Water use problems of Lake Tahoe have been turned over to a committee with the first definite proposal for an equitable allocation, it was announced today.

The announcement was made following a meeting by the California-Nevada Compact Commission which is charged with working out agreements for the distribution of water which originates in California but flows down the Truckee River into Nevada.

Only recommendations were made at the meeting. They were turned over to the commission's water problems committee, which is expected to report on them by August.

Efforts to reach a pact for distributing the lake water have been under negotiation for three years.

The latest proposal came from George Devore, a member of the Nevada group.

He suggested that if an outlet at the head of the Truckee is improved by the installation of a free overflow weir at an elevation of 6,223 feet, 7,500 acre feet of water could be diverted annually for use in the Tahoe basin in California. A similar amount could be diverted to the basin in Nevada, Devore's report said.

The plan would also allow water to be pumped from Lake Tahoe when the flow by gravity is insufficient to maintain "the domestic, municipal and sanitary needs" of towns along the Truckee.

MAX SPRINGER NEW LAKE ROTARY HEAD

KINGS BEACH—Monday night, June 29th was a gala affair for the members of the Rotary Club of Brockway and their ladies. A delicious dinner, preceded by a cocktail hour was served at the Crystal Bay Club.

The incentive for the evening was the demolition of President Allen Sklar, who incidentally was seated at a special table and served a meal consisting of catsup, beer and tobacco, these items being favorites of his. A resume of his life and accomplishments was given by Jimmy Chastain. Also during the evening a most delicate and touching operation was performed by "Doc" Hooper assisted by Nurse Johnelle Rayburn. Another event was the presentation of a past president's button to Dr. Sklar and a 10 year perfect attendance button to Earl Nelson.

Max Springer, the incoming president, presided during the evening.

LOGGER IS INJURED BY FALLING TIMBER

Charles Sanders of Truckee suffered a severely injured back last week when he was struck by a falling tree. Sanders was employed by Kahto Industries and was falling the tree near the Cedars when the wind caused the tree to change its course and strike the victim.

Sanders was rushed to the Tahoe Forest Hospital for treatment by the Truckee Ambulance.

BATTLE FOR BRIDGE AT EMERALD BAY NOT OVER BY FAR

Although the move to construct
a low level road on the west shore
of Lake Tahoe, including a bridge
across the mouth of Emerald Bay,
was sabotaged in the 1959 session
of the legislature by individuals
whose interests were confined
largely to "scenic beauty", the
battle for the convenient, time-
saving, shorter route is not over.
This was announced by Senator
Swift Berry (R-Placerville), who
headed the move this year to have
the state proceed with the construc-
tion of the new road, which would
replace the present winding, nar-
row trail, subject to slides, snow
closure and a constant threat to
safety because of its construction

over an apparent earthquake fault.

The present road, engulfed last
year by a slide, is clear and open,
but at the cost of several lives of
workmen who were engaged in
clearing the thousands of tons of
rock and dirt which slipped down
the side of the mountain and
caused an ugly scar south of
Emerald Bay.

"Perhaps by the time the legis-
lature meets again," Senator Berry
declared, "the members who voted
against my resolution calling for
a low-level road, will have realized
the injury they have caused to the
people in the Lake Tahoe area,
as well as to the traveling public."

"There is no more dangerous
section of road in the area than
the section we hoped to replace
with a modern highway, which
could be kept open the year round,
and would give convenience to
winter, as well as summer visitors

in the Lake Tahoe area.

"Yet some of our legislators
and citizens in other areas of the
state which have no concern with
Lake Tahoe, managed to kill off
the resolution in the assembly, and
thereby traded safety and conven-
ience for a synthetic concept of
"natural beauty", an argument
presented by the state division of
beaches and parks, which can
easily be proven ridiculous."

To further the low level highway,
Senator Berry introduced another
resolution in the state senate,
which in effect refers the entire
matter to an interim committee for
study.

When assigned to the interim
committee, undoubtedly further
hearings will be called, and the
proponents of the low-level road
will be given more opportunity to
present facts and figures support-
ing their stand on the matter.

It was also pointed out that the
state divisions of beaches and
parks has a new division chief,
supplanting Newton B. Drury, one
of the most bitter opponents of the
low level road. Drury, who retired
because of old age, contended that
because the road went through
two state parks, that is should not
be constructed. The new chief of
the division has not as yet voiced
an opinion on the proposed con-
struction work, but proponents are

hopeful that he will adopt a mod-
ern attitude to the problem,
geared to the needs of the area
and the convenience of the travel-
ing public.

The low level road has been sup-
ported since the beginning of the
controversy by the state depart-
ment of public works, which esti-
mates that any other route will
cost the state several million dol-
lars more than the Emerald Bay
route.

"Obviously," said Senator Berry,
"we want to build the road as
reasonably as possible. This can be
done on the low level without
sacrificing the beauty of Lake
Tahoe!"

SIX IN COUNTY HAVE LICENSES REVOKED

SACRAMENTO — (CNS) — The state department of motor vehicles, in its new policy of substituting license suspensions for slogans, suspended 6 driver's licenses in Nevada County during June and revoked 1 other.

Of the total of 7 cases, 3 were on drunk driving charges.

Robert I. McCarthy, director, said the statewide total for the month was 5,657 suspensions and

1,722 revocations. Of these actions, 1,433 were against drunk drivers.

It was the second month that the department's crackdown has resulted in suspension of more than 5,000 licenses. In most cases, suspensions were from five to 10 days. However, as of July 1, license suspensions for drunk driving, including first offense, will be for a minimum of six months.

King George VI was the first reigning British monarch to visit the United States.

GIRLS IN DISTRICT MAY ENTER QUEEN RACE

Charles Wilson, director in charge of the queen contest for the Gold Rush Revival Celebration in Auburn September 10-13, announced the coveted position is open for any girl residing in the Sierra Junior College district.

Directors of the Gold Rush Revival Association expect there will be spirited competition for the honor between contestants, who may now come from any point of the district which includes Roseville, Lincoln, Rocklin, Loomis, Penryn, Newcastle, Auburn, Colfax, Foresthill, Truckee, Kings Beach, Tahoe City, Pilot Hill, Greenwood and many unincorporated localities.

Any girl who lives in this area, who is a high school senior or more than 18 years of age, is eligible to enter.

Annie Smith and Charlotte Lamb have been named by the Auburn Business and Professional Women to serve as co-chairman in sponsoring the contest.

Gifts, prizes and other honors that go with the office will be detailed later. One gift already announced is a three-piece matched set of luggage.

1/4 mile" give advance notice while others reading "Turnout" mark the location.

"Under the law, a motorist who is followed by five or more cars must turn off at these marked locations and permit the cars behind to pass," he continued.

"The purpose of this law is to eliminate the hazards caused by a slow moving vehicle blocking other cars. It should reduce the number of head-on collisions that occur on two-lane roads because a motorist got impatient at being delayed and lost his gamble that he could safely get around another slower vehicle."

The patrol commissioner said the law defines a slow moving vehicle as "one which is proceeding at a rate of speed less than the ticular time and place."

"In most places, the turnout area will be long enough to permit slow vehicles to continue moving," Crittenden said. "But where the terrain allows only a short turnout, cars must use them even if it means coming to a full stop until the following vehicles have passed."

TURNOUT LAW WILL BE ENFORCED ON ROAD

Vacationists who will be taking trips into the mountains of California this summer are being reminded by the California Highway Patrol that the new "turnout" law will be strictly enforced wherever appropriate signs have been posted.

CHP Commissioner Bradford M. Crittenden noted that the turnout law requires slow moving automobiles to move aside and allow impeded traffic to pass. Turnout areas have been built on two-lane where traffic and road conditions warrant. Signs reading "Turnout

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

Accidents can happen — and sometimes it's the telephone that bites the dust. Well, telephones are built to take it. But I wonder if you've thought about this fact: when something does go wrong with your phone — because of accidents or normal wear and tear — your telephone man will be out to fix it, free of charge. It's a lifetime guarantee, too, in effect as long as you have a phone. And, when you come right down to it, it makes your telephone pretty unusual. Can you think of anything else that doesn't cost you a single cent for repairs?

than 100 high schools.

The department of education reported, under federal money with state matching funds, the schools will begin the so-called "direct" method of teaching foreign language.

The traditional method of teaching foreign languages, used for Johnny and Jane's parents or older brothers, began with the fundamentals of verb conjugations and noun forms, followed by reading and writing. Speaking and understanding the language came later. In cases where the language was not followed too long, students never arrived at this stage.

Under the direct method, tape recorders will be used to permit students to hear the language spoken. First they will pick out words, then sentences, and then begin to speak the language.

The new method, while revolutionary, is not exactly experimental. It was used to a large degree during World War II, for rapid training of interpreters. However, acceptance of the method has been slow, with only a few high schools in Oakland, Pasadena, Palo Alto, Stockton and Ventura using it. Inertia and cost of electronic equipment were two of the chief factors responsible for the slow acceptance.

The department forecast the big boost in federal funds, including \$1.5 million for foreign languages, will find the direct foreign language method in operation in more than 100 high schools. The change will extend down to the fourth grade and up into junior colleges, it was expected.

KINGS BEACH—The Community Methodist Church in Kings Beach announces its annual vacation Bible school for children from preschool through the sixth grade (next year) which will be held beginning Monday August 3rd and will run until Friday, August 14th every weekday, Monday through Friday, from 9 to 12. Registrations will need to be limited, and anyone desiring to help should contact the pastor or Mrs. Felte.

**SACRAMENTO SEEKS
CASH FOR OLYMPICS**

The Sacramento Civic Olympic Committee has asked the council to contribute \$1,500 to help support promotional work for the 1960 Olympic Winter Games at Squaw Valley.

Jerry Wymore, committee chairman, states in a letter to the council the promotion work will play up Sacramento as the host city for the games.

The funds are to be used for the printing of brochures, the installation of signs near the approaches to the city and for the staffing of information centers to assist visitors from foreign countries.

On June 29, 1871, the Navy Department announced the appointment of Dr. William Maxwell Wood to serve as the Chief Medicine and Surgery, the Navy's first surgeon general.

DONNER DOINGS

BY VIRGINIA O' BEAR

Things are almost back to normal at Donner Lake after the excitement the last few months preparing for the Donner Lake Regatta. People from all over California, Nevada and Oregon crowded the west end of Donner to watch the regatta. It was very exciting and well worth all of the hard work put in by the Donner

Lake Volunteer Fire Department and the Ladies Auxiliary. Proceeds from the event will go into a lot and a fire house which the fire department is working on at the present time. Members of the department and auxiliary wish to thank everyone who made the event possible.

The O' Bear home has company again. My sister, Mary Buckenmeyer and my niece, Suzi are up for a week. My 13 year old stepson, Chuck O' Bear came up for the regatta and will be with us for awhile. He is from Santa

Rosa and my sister from San Francisco. Also we had the pleasure of having Hans Damberg, owner of the new exclusive Seven Hills Restaurant in San Francisco. If you are ever down that way, stop and see Hans and tell him I sent you.

Mr. and Mrs. Bert Johnson of Novato were planning on a week at Donner but after they got up here and heard about all the excitement going on with the boat races and all, decided to keep all of the 16 children and their horses up here another week. Bert and Arlene are in charge of the Novato Thunderbirds. This is a mounted drill team and there are 24 youngsters in this club. The Thunderbirds banded together in the Johnson's back yard in Novato three years ago and have been going great guns ever since.

The Thunderbirds joined the California Horsemen's Association and recently took part in the Santa Rosa Rose Festival and Horse Show. They went home with several trophies and ribbons. Their outfits are all Indian motif with war bonnets and lots of color. Two members appeared on the Captain Fortune television show July 13 to boost their own publicity. The Thunderbirds were in the big 4th of July parade in Reno and walked off with first place in the best uniformed junior group. Arlene and Bert should be very proud of the job well done as it takes a lot of hard work and patience and a love of children to do what they have done. We are proud to have them at Donner Lake as they are lots of fun and an asset to any community.

A special note to all auxiliary members! Please contact me at Luther 7-3688 and let me know about your barbecue tickets. We are totaling up now and need the money turned in as soon as possible.

The next board meeting of the ladies auxiliary will be held at the home of Mrs. Anthony St. Claire. Members will be notified in a few days as to the next whereabouts of the business and dinner meeting. Let's all go!

RENO LICENSES

Mrs. Joan Rose and James Harris were issued a Reno, Nevada marriage license. Both young people are well known in Truckee.

Another Truckee couple being issued a Reno license are Theodore Morski and Margaret DeWitt.

There were 6074 forest fires in California in 1958.

To California...

a glass of beer
is many things

Skin diving is the new king of water sports, and what better place to enjoy it than California? Water sports suit Californians' taste for fun and relaxation. And so does a glass of beer—always the light bright refreshment after work or play.

And beer has another meaning for Californians. It's a vital factor in this state's expanding economy. In 1958, for example, the Brewing Industry purchased more than 7 million pounds of hops—virtually the entire California harvest—just one more reason why beer means better living for Californians.

West Shore Notes

By NINA SLADE

A sail silhouetted against the Nevada Sierras brought to mind John Masefield's "Ships"—

"For one may haunt the pier a score of times—

Hearing St. Nicholas bells ring out the chimes,

Yet never see those proud ones swaying home — with mainyards backed and bows a cream of foam." That lonely, proud white sail

scurrying along, aloof from the speedboats, rowboats, and water skiers, sent memories sailing in from Cape Cod, Long Island, Bay of Naples, and even Aden, Arabia,

where the odd-shaped sails of the dhows still send boats skimming along as they did in Sheba's heyday. It would be grand to see a sailboat race on Tahoe. Wonder why not?

Louis Celio, president of the Tahoe Cedars Property Assn. urges all property owners to attend a meeting, at 2 p. m., July 16, at Arbutus Camp, 7th St. and Alder. Paul Brace of the El Dorado County Planning Commission will address the meeting on problems of zoning.

Marine Pfc. Mayton "Butch" Record is enjoying his leave from Camp Pendleton, Calif. with his parents, Mr. and Mrs. Foster Record of Tahoe Pines. Butch expects to get some sea duty when he returns.

Mr. and Mrs. Ben Callender, Homewood, former owners of Callender's Lodge, are comfortably at home as the first tenants in the modern apartment above Postmaster Edna Obexer's handsome new post office building on Highway 89.

Mr. and Mrs. Frederick Onstott and family of Gridley are renting Mary Johnson's Tahoma lakefront home for July.

The Vern L. Lamberts have opened their lakeside home.

Mr. Anthony B. Antone of Los Altos is at Cedar Shadows, Tahoma. He's starting a new subdivision, McKinney Estates. The new office building is located at Rubicon Road and Highway 89. Associated with him are Harry R. Leland of San Francisco and Mr. James D. Poole of Sacramento.

The Sidney Rudy family is enjoying a month at the home of Dr. C. N. Gier of Sacramento.

Mrs. Carrie Warnack has returned again, as she has since 1942.

Mrs. Peggy Wheeler of La Crescenta is at her cabin this year, much improved, but still walking with a cane, after a year of treatment for a broken hip.

Mr. and Mrs. Charles Forbes of Concord are at their Tahoma summer place.

The Charles Matthews family of Marysville are spending a month in the lakefront home of Mrs. Lucille Tryford of San Francisco.

Mrs. Nancy Runnels, long-time summer resident of Tahoma, writes the sad news that her husband, Fred, passed away in Los Angeles in August, 1958. Friends and neighbors will be saddened to hear that Mrs. Runnels herself suffered a slight stroke, but is better and up and doing now, though still under a doctor's care.

Everyone is happy to see the beauty treatment, in the way of a new black-top job, being administered to Highway 89 on this side of the lake.

The Harry Lanes of Sacramento have returned to their home in Tahoe Cedars Tract. After spending most of the winter here. Mr. Lanes' health took them to Sacramento for treatment. He's up and around and feeling better now.

Weather

We have been having some nice hot days but one thing we can be thankful for is the wonderful cool nights and mornings, especially having visitors tell of the terrific heat day and night in other areas. The Lake has been perfect for the many boats and water skiers while hundreds enjoyed the coolness of the casinos at Crystal Bay.

Visitor From Sweden

On July 8th, Harry Johanson's niece, Gunilla Ostenson, visited him on her way back to Sweden. She was graduated from Stevens College, Columbia, Mo. after one year's study on a scholarship from Sweden.

Birthday Party

Mrs. Minnie Wagner celebrated her birthday at a party on July 9th. There were sixteen guests present who included her husband Frank, Dave and daughter Shirley.

Betty Solari, Dolores Gillespie, Norman Zunino and family, Bev Pomroy from Grass Valley. Everyone had a wonderful time. Many more happy birthdays to you, Minnie.

Short Visit

Had a short visit from Bill Bien and Bill Poe who were up from Sacramento for a couple of days. Bill Bien is working on a Guide to Lake Tahoe booklet for the coming Olympics and hopes to return to the lake in a couple of weeks, says it's too hot down below.

From Oakland

Mr. and Mrs. Hugh Johnson and daughter are spending a few days at their home on Brasse Avenue.

Home For Weekend

Davey Ashton and a buddy were up from Long Beach for the weekend. Sailor boys for sure, they spent the whole time water skiing.

Vacationing

Had a nice visit with Galen Young and his pretty wife who are spending a few days up here from

OLYMPIC HOUSING FLAG—Every hotel and motel in the Squaw Valley-Lake Tahoe area that "holds the line" on prices during the VIII Olympic Winter Games will fly the official housing flag on display here. The flag is a part of the Organizing Committee's anti-gouging campaign. Robert J. McMahon, Games Housing Director, shows the flag to two employees, Anne Nicolas, left, and Georgina Kelly. For ticket and housing information, write Olympic Winter Games, San Francisco 5, Calif.

West Los Angeles. Galen is studying at law school. His father was the late Dr. Charles W. Young. For years they spent the entire summer here and it was nice to see the young couple again.

Columnist Visits

Jack Rosenbaum, famous columnist of 'Our City' in the San Francisco News, and family are staying with Sam and Audrey Harrison for a few days. A delightful dinner party was held last Tuesday night, guests being the Rosenbaum, Mr. and Mrs. Gregory Mahakian. (Mahakian is Superintendent of Athletics at the Castro Valley School System and are spending several days at the Grays' resort here) Judge and Mrs. Harry Charrison and daughter Margie, and the host and hostess Sam and Audrey. By the way, Sam is often seen making the rounds of the golf course lately—boy can he shoot that ball up the course. I've yet to see anything he can't do.

From Auburn

John Bernard executive officer of Placer County made a special visit to the court in Tahoe City last week. A promise was made that before long a new building would be built somewhere between Tahoe City and Dollar Hill for housing the sheriff's dept., jail and court room. We advised Mr. Bernard that it can't be too soon

as it is badly needed due to the crowded and inconvenient situation now.

Hold Meeting

The Placer County Planning Commission will hold a meeting in the court room at Tahoe City all day on Friday, 24th of July. All those who wish to attend are welcome to do so.

Daughters Visit

Wendy and Linda, the two daughters of Jack Farris on Bear Street, are here from Los Angeles for a two weeks stay with their father.

Church Breakfast

A ranch style breakfast will be cooked and served by the men at the Wee Kirk of the Pines in Kings Beach next Sunday, July 19th. This is for the purpose of fund raising as the church is striving to raise funds. Each and everyone is invited. Breakfast will be served from 8 a. m. to 10:30 a. m. Let's all try to be present.

Summer Stay

Miss Nancy Geers from Los Gatos is staying with Shlela Bacus for the entire summer and having a wonderful time.

Thanks

Theresa Sutton and Jerry Rayburn wish to thank their many friends for the many expressions of sympathy in the recent passing of their mother.

FLAG TO FLY OVER FAIR HOUSING UNITS

SQUAW VALLEY—A colorful white and blue official Olympic housing flag will fly over every hotel and motel in this area that has contracted to "hold the line" on prices during the VIII Olympic Winter Games next Feb. 18 to 28, Robert McMahon, games housing director, said.

The flag is part of the Organizing committee's program to eliminate gouging practices in communities surrounding Squaw Valley during the Games.

McMahon emphasized more than 35,000 accommodations are available for spectators ranging in price from \$5 to \$12.50 per person per night within 50 miles of the Squaw Valley site of the Games.

McMahon's report showed the following numerical breakdown on accommodations: Lake Tahoe North Shore, 4234; Lake Tahoe West Shore, 2715; Lake Tahoe South Shore, 7887; Truckee, 472; Donner area and Emigrant Gap to Norden, 1328; and Reno-Sparks, 17,700.

In addition, the survey showed

RANCH BREAKFAST SCHEDULED SUNDAY

KINGS BEACH—The men of the Community Methodist Church in Kings Beach are giving a "ranch breakfast" this Sunday morning

2191 accommodations among Auburn, Grass Valley, Marysville, Nevada City, Placerville, Portola and Quincy, plus and estimated 15,500 in the Sacramento area.

Information on tickets and housing may be obtained by writing Olympic Winter Games, San Francisco, Calif.

from 8 a. m. to 10:30 a. m. in the

social hall at the church, to which everyone is invited. The breakfast will consist of juice, coffee, pancakes, eggs, ham, and jelly, syrup, et al. and will cost \$1.50 for adults, 75 cents for children under 12, with family tickets available for \$5. Proceeds will be given to the financial needs of the church. Everyone is invited to come and bring their friends.

Edward Bullard of Gilroy wrote that the family is summering at Tahoe City.

MEMBERSHIP MEET OF COUNCIL IS CALLED

TAHOE CITY — The first full membership meeting of the Lake Tahoe Area Council will be held Friday, July 17, at Stateline, B. E. Lowe, president of the Council, announced.

Purpose of the luncheon meeting is to enable the members to hear reports of progress made since the April 17 organizing meeting and discuss plans for the Council projects to be acted on this year.

BOLD NEW EFFORT TO KEEP CAMP CLEAN

SACRAMENTO — (CNS) — The department of fish and game has announced its adoption of a "bold new effort" to meet growing demands of hunters and fishermen in the form of a five-year wildlife conservation plan, topped by an anti-litterbug campaign.

The plan was submitted to Gov. Edmund G. Brown by William E. Warne, F&G director.

COMPLAINT FILED IN EMINENT DOMAIN

A complaint in eminent domain was filed by the California Department of Public Works against several score property owners in the Donner Lake and Truckee areas for the expansion Highway U. S. 40.

The complaint states that it is of public interest and necessity to require the acquisition of the lands involved. Some of the parcels of land filed on are for an easement of Pacific Gas and Electric power lines. The state will use some of the power company's existing easements for the freeway.

Defendants named in the suit

"The plan is a bold, new effort to meet the growing needs of our great and growing state," Brown said. "It was promulgated by the new and vigorous leadership we now have in the department of fish and game. It is an action program with great vision and practicality."

Actually, the plan, as explained in a news release from the governor's office, deals in generalities and programs which already are in effect or normally would be in effect. Of the 19 major subjects listed in the statement, without detail, these were the highlights:

Reorganization and expansion of water projects and water pollution control; youth conservation education program; anti-litter campaign; expansion of hunter safety training program; five-year plan for Wildlife Conservation Board; improvement of inland and ocean fish habitat; further efforts to eliminate illegal market hunting and fishing;

A salmon-steelhead conservation program; sea lion research project; use of conservation camps; expanded land withdrawal; introduction of exotic game birds; game habitat improvement; and increased emphasis on in-service training.

The
well that
made
a wish
come true

In the 1890's a wish came true at the little town of Tumwater, near Olympia, Washington. Here, flowing cool and clear from deep artesian wells, water of an extraordinary character was discovered. This was water equal to those used in brewing the famous beers of Bavaria . . . water which, in the years ahead, was to be responsible for the popularity of light Olympia Beer. It remains as true in this century as the last: *the more perfect the brewing water, the more perfect the brewing result.* Olympia's famous water is *naturally perfect* for brewing just as it flows from the earth . . . creating a beer of refreshingly different good taste.

BICYCLE RIDERS ARE
WARNED BY POSTER

Boys and girls who ride bicycles should be urged to ride single file to avoid danger from passing cars, says the California State Automobile Association.

Bicyclists who ride two or three abreast create bottlenecks in traffic and dangerously expose themselves to cars who attempt to squeeze by them, warns the AAA motorists' organization.

Nearly 500 children were killed and over 59,000 injured in bicycle accidents last year, reports the CSAA.

A safety poster illustrating the theme "Always Ride Single File—Safe Bicycling Practice," has been distributed to schools in northern and central California and Nevada as part of the regular monthly safety education program of the CSAA.

The poster was one of the first prize winners in the American Automobile Association's 1958 National Traffic Safety Poster Contest.

On June 28, 1784, Joshua Humphreys was appointed America's first Naval Constructor with an annual salary of \$2,000. He designed and built the Constitution, Constellation, President, Chesapeake, and United States.

GREENHECK SPEAKS AT ROTARY SESSION

TAHOE CITY—Don Greenheck, in charge of physical features for the 1960 Winter Olympics was guest speaker at the July 7 luncheon meeting of Tahoe City Rotary Club at Tahoe Inn. He told of the techniques the Russian team used last winter in testing the ice for speed and showed a device they used to shoot a disc across the ice. They measured the penetration of a sharp object dropped on the ice, took the temperature and then used the one of several pair of ice skates best suited.

Greenheck said the almost ancient game of curling will be introduced at the coming winter games for the first time. The game is similar to shuffle-board. Greenheck said. He added that the largest of the ice arenas that seats 9,000 people is still under construction, but is expected to be completed long before winter.

Among the 16 visiting Rotarians were, Clergymen Gordon C. Ashby and Grant S. Curry of Lake Port. Twenty-nine members attended the meeting. Howard Guth was honored with the birthday song.

Basil Kehoe, a past president, conducted the meeting in the absence of President Bill Becholdt who had been called out of town.

MOTHER VISITS

Mrs. Don Ryan is the guest of her daughters families, Mr. and Mrs. W. W. Grayson and Mr. and Mrs. Jack Ellis. She will return south August 5 to rejoin her husband who is temporarily in a convalescent home, recuperating from a lengthy illness. Ryan sent his best wishes to local friends via his wife.

Governor Edmund G. Brown today announced signature of SB 1286 (State Senator Ronald Cameron (D), of Auburn), a bill given heavy statewide support by skiers. It provides that when the state completes its rerouting of US 40 on the west side of Donner Summit, the state will continue to handle snow removal on a five-mile section of the old route returned to the Placer and Nevada highway systems. The counties do not have the necessary equipment to keep the road open the year around. The road serves a highly developed ski resort area, however, and state department of public works officials agreed that they could best handle the difficult problem of keeping the highway open into the area.

TEEN AGE DANCES AT LAKE ARE STARTED

HART IS AWARDED SAFETY CERTIFICATE

A certificate of achievement for the best accident prevention record of any district in the State of California, for the year 1958, was presented to District Engineer Alan S. Hart July 7 at a District III safety committee meeting in Sacramento.

Principal Highway Engineer Scott H. Lathrop represented State Highway Engineer G. T. McCoy in making the presentation.

This is the first award of this type received by District III, and is the culmination of several years of safety activity throughout the district. Safety cannot be legislated or ordered and can only be achieved through constant vigil and development of a "safety attitude" by every individual in the organization from top management down.

The District is faced with every type of road problem, except desert, found in the state. It contains metropolitan areas and small villages, rugged mountains and marshy lowlands, regions of extreme cold and regions of subtropical climate, large rivers and dry washes that can become raging torrents in the matter of hours.

Snow removal is a major problem in winter with three routes over the Sierras to keep open. Donner Summit records, regularly, the heaviest snowfall on a major highway route in all of the United States. Keeping this route open during stormy weather is one of the major safety problems of the district.

It is a tribute to the groups in the more hazardous work tasks and high exposure assignments who have contributed the most in the realization of this achievement.

License To Wed—

Sue Hancock, 19 of Truckee and Larry Ford of Modesto were issued a Minden, Nevada marriage license.

LICENSES FOR LAKE FIRMS ARE ASKED

SACRAMENTO—(CNS) — The contractor's state license board announced it plans to issue licenses to three firms in the Lake Tahoe area if no protests are received by July 7.

Harold J. Calvert, Calvert Electric, P. O. Box 652, Tahoe Valley, will be issued a general electrical contractor's license.

Robert C. Elliott, P. O. Box 54, Tahoe Vista, will be issued a floor coverings contractor's license.

David R. Fritsch and Charles E. Sherman, Jr., Fritsch & Sherman, P. O. Box 291, Tahoe City, will be issued a sewer, sewage, disposal, drain, and cement pipe laying contractor's license.

MOUNTAINEERS

Continued from Page 1

tom of the same inning with two runs to spoil Robinson's bid for a shutout. Leading 8-2 after five complete innings of play Truckee picked up one in the sixth on a combination of a double and single by Stewart and L. J. Robinson. The Mountaineers gathered in one run more in the seventh as did the home town Merchants to place the total at 10-3, Truckee's favor.

A bit of wildness on the Truckee right-hander's part and a single in the eighth got the Nevadans two more tallies to trail 11-5, after the visiting Mountain men had collected their last tally in the top of that stanza.

There were nine errors in the game; four by Truckee and five by Lovelock. Hank Pancho was the loser while Robinson won his 7th straight game without a defeat.

There will be no game this week as Truckee draws a second half bye but next week they play Susanville in two exhibition contests; one at Susanville and the other on the local diamond. Both contests will begin at 2 p. m.

WORK HAS STARTED ON STATE ROUTE 20

The division of highways announces that Granite Construction Company of Watsonville has started to work on a project to place a blanket of plant-mixed surfacing over the existing pavement on State Sign Route 20 in Nevada and Placer Counties, between Highway U. S. 40 northeast of Emigrant Gap and Steep Hollow about 19 miles east of Nevada City.

The contract calls for resurfacing this 7.9-mile section of highway, which will improve the riding qualities and increase the structural strength of the roadbed.

David Currier will represent the division of highways as resident engineer on the project.

HIGHWAY TAX FUND WILL AID COUNTY

SACRAMENTO—(CNS) — State Controller Alan Cranston announced the June apportionment of \$83,902,367 in Highway Users Taxes included \$24,095 for Nevada county.

The apportionment included \$25,886,332 from the net gasoline tax and a semi-annual transfer of \$56 million from the Motor Vehicle Fund.

The total was divided, with \$74,305,543 going to the state highway fund, \$6,898,331 to the counties and \$2,698,493 to the cities.

OH, DEAR -- I FORGOT THEY'D INSTALLED PARKING METERS AND I DON'T THINK I HAVE ANY CHANGE!

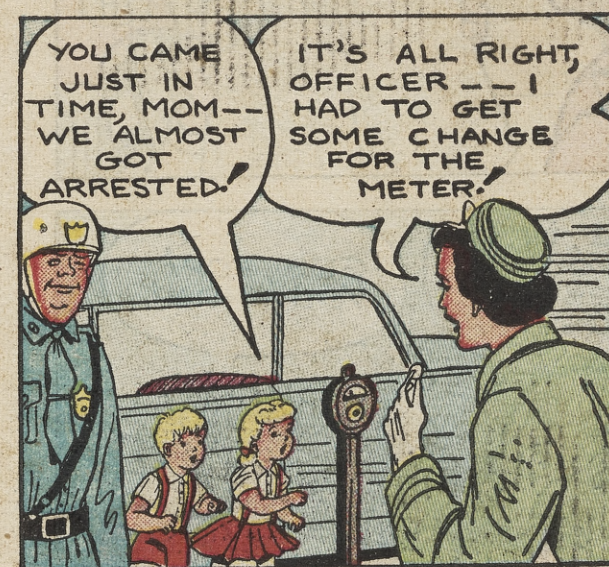

YOU WAIT HERE WHILE I GET SOME CHANGE FOR THE METER, PENNY AND PAT!

IS THIS YOUR CAR?

Y-YES, SIR--

YOU CAME JUST IN TIME, MOM-- WE ALMOST GOT ARRESTED!

IT'S ALL RIGHT, OFFICER -- I HAD TO GET SOME CHANGE FOR THE METER.

COME ALONG, PENNY AND PAT-- WE'LL GET YOUR SHOES NOW.

I DON'T LIKE THESE-- WILL THE METER RUN OUT IF WE TRY ON SOME OTHERS?

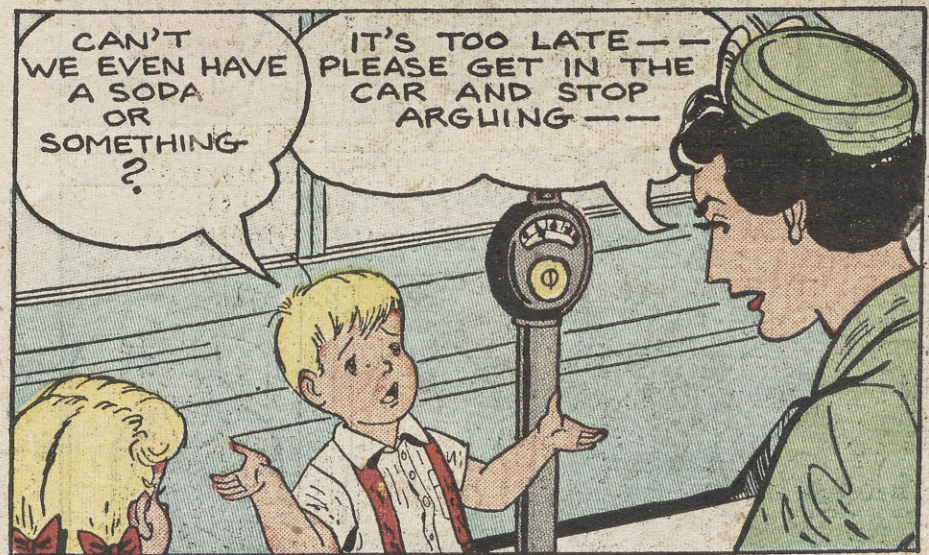

WE HAVE PLENTY OF TIME, PENNY-- I PUT IN A NICKEL AND THAT GIVES US AN HOUR!

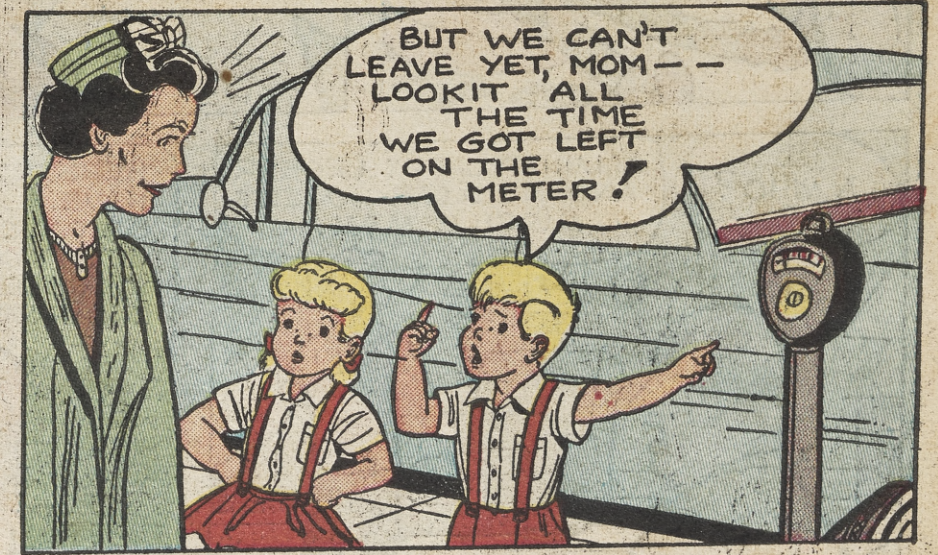

WHERE ARE WE GOING NOW, MOM?

NO PLACE -- HAVE TO GET HOME TO MAKE DINNER.

CAN'T WE EVEN HAVE A SODA OR SOMETHING?

IT'S TOO LATE -- PLEASE GET IN THE CAR AND STOP ARGUING --

BUT WE CAN'T LEAVE YET, MOM -- LOOKIT ALL THE TIME WE GOT LEFT ON THE METER!
